

## 1824 Mininomade

Small casings for miniquadro lamps, for outdoor and indoor applications. They are flexible and suitable for lighting public spaces, nightclubs, bars, restaurants, hotels, temporary exhibitions and shopping centres. Also available in a smaller version for private, residential applications, such as gardens, porticos and terraces.

The name "Nomad Lamp" defines and highlights the peculiar nature of the product, i.e., flexibility and total freedom of use.

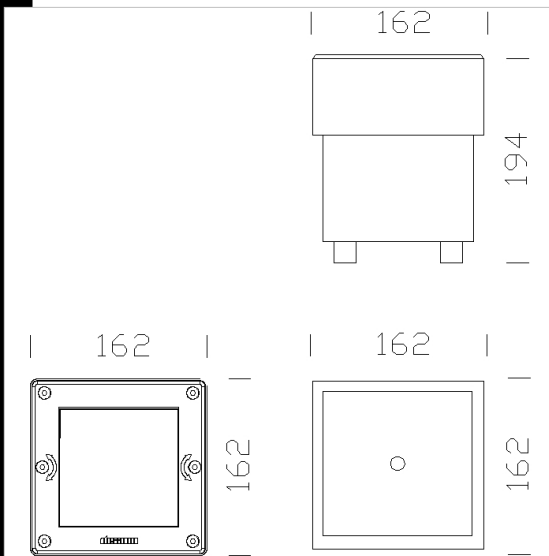

These casings come in the following sizes:

small 160x160x190

Square section, shaped like a luminous cube. Falls into the category of ground floodlights

The finishes designed for the entire range are:

- Natural black waxed plate
- Water oxidized plate
- Corten Steel
- Special coatings upon request
